DEAR FRIENDS,

This one's for you!

After a year of unprecedented challenges, what a joy today to be sharing with you our 3rd Annual Donor Recognition Report. As before, we are releasing this special digital publication on Valentine's Day, as a mark of our genuine love and appreciation for you, the people who make our work possible through your generous financial contributions to 1000 Friends of Oregon even in the toughest of times.

Oregon is Oregon because of you.

In fact, that's another reason February 14th matters so much: it's Oregon's birthday. It's been 162 years since we became the 33rd state in the nation, and this May, it will be 48 years since the signing of Senate Bill 100, the statewide legislation that established Oregon's unique land use planning program, and a year later, led to the creation of 1000 Friends. Today, Oregon remains beautiful, bountiful, and beloved as ever, and that's all because of your steadfast support. We couldn't do it without you.

Thank you for protecting the heart of Oregon!

With gratitude for all you do,

Executive Director
February 14th, 2021

In case you missed it...

You can still access our 2020 Annual Report online throughout the year.

Visit [friends.org/impact](https://www.friends.org/impact) to see the difference you make!

THANK YOU
